Dear Angie,

Well the years almost out, and I'm real glad that we became friends after all. I'm glad that we didn't, I wouldn't because if we did I was missing. Maybe next year when we become better friends we'll go out and party together, you never know when we might be tempted to start a fight to kinda fun with other people. In a those kinda fights? I thought they were glad nicknames one of us got hurt because of course we wouldn't be friends. Well I better go, I have great summer Angie, and maybe I'll see ya then (not that I'm gonna go) but I might. Super, good luck at the plunge & friendship

Love forever,

Cherry Smith

P.S
I hope you and Bernie stay together for a long time.

George and Joyce Dunn at Christmas time.

It would seem that there are at least three or four George Dunns occupying our campus all day. There isn't a spot on campus that you might not find him at any given moment. Roof is leaking, teachers doors won't lock, gym needs setting up, materials need to be delivered; two rings of the bell and George is on his way. His little electric cart must have over 100,000 miles on it. The nice part about it is he does it all with a smile.

George was born on April 6, 1948 at 9:20 pm. at Parkview Hospital in Los Angeles. He was raised, however, in the Norwalk and La Mirada area and is a graduate of the class of 1966 from La Mirada High. After high school, George attended Cerritos College for a brief time until he joined the Navy in 1967. He served aboard the USS Nereus, a submarine tender, from 1967-1969. He was discharged from the navy on January 10, 1973.

George has been with the Norwalk/La Mirada Unified school district for 11 years now, having started out at Neff High School. He was transferred to Glenn in 1981 when Neff was closed.

George and Joyce Dunn have been married since March 13, 1976, and his family includes his father who lives in Kingman, Arizona and three brothers. Frank lives in Colorado, another brother, Art, lives in Santa Fe Springs, and Richard lives in Tustin. George is the youngest son.

When George finally breaks away from school, his hobbies include cartoon drawing and reading books on Colt guns and rifles. One of his main loves in life is his dogs, Brandy, Tanya, and Silver.

The kind of service and excellence that our head of plant gives John Glenn faculty, students, and administration made him a logical choice for this year's dedication. We, the 1984-85 Patriot Staff hereby dedicate this book to you. George Dunn.

George and his beloved friends.

RSP Club was formed because a group of students wanted a new kind of club. The club's purpose was to make money so the members could take themselves and their parents to educational and fun field trips. The belief was that many students and parents do not get the chance to see many of the exciting and interesting places in Los Angeles and surrounding cities.

The students felt a strong desire to include their parents on these trips. The parents could see their kids in a different environment than that of home, and the parents could experience new places. We enjoyed ourselves and experienced adventure.

The students who report the news.

Newspaper will someday be among the most popular classes at Glenn, because it directly involves the students and faculty. Our purpose was to inform our readers of the news, issues, and activities which concern them in an interesting manner, and to voice the concerns of student body and faculty members.

Cultural Awareness And Understanding Through Dance

Ballet Folklorico at John Glenn is in its third year of existence as a performing arts group and as an activities group. As a performing group we have accomplished much.

We have risen from a group which only performed during Cinco de Mayo to a group which is in constant demand in the community. It is our attempt, through the preservation of Mexican Folkloric dancing, to promote cultural awareness and understanding amongst the students and community. The group has performed throughout Norwalk, Los Angeles, and Orange County. Such performances were for Senator Paul Carpenter, the Education Occupation League, the Norwalk Heritage Festival, and the Arturo Sanchez Carnival.

Long time MEChA members Maricela Moreno, Marina Radillo, and Luisa Duran

MEChA continued this year to serve our school, our community, and the students who compose its membership. The club was made stronger by the fact that almost 100% of its members were students who have been active for 3 and 4 years. These same students created a relationship amongst themselves that saw them work together on candy sales, car washes, and other fund-raisers; learn together at meetings and field trips; and have fun together at picnics, softball games, and pizza parties. The culmination of the year was, once again, all the activities that went into making Cinco de Mayo one of the best school events ever.

The Upward Bound Program is designed to help the participants with subjects they have the most trouble in. Upward Bound met every other Saturday morning at Cal. State Long Beach where College Bound Seniors got assistance in filling out applications for colleges and universities. In the summer, most students will spend six weeks at the Long Beach dorms to prepare them for college life.

German Club is an organization for present and former German students. Some activities included taking part in Oktoberfest and attending a German language camp for a week-end where only German is spoken. The members also participated in fun activities, outings, and special "German" holiday celebrations. The awarding of scholarships to graduating seniors is also an important function of the club.

Two clubs that are interwoven in their philosophy and activities are Thespians and Children's Theatre. Through the past few years they have reached out more and more not only to their own community but to other schools throughout California and the nation. Actively involved in the Calif. State Thespians, even to a greater extent this year, they will be proudly representing our school throughout California.

Science Club students have an interest in science. They attended field trips on Saturdays to study their environment.

To cultivate a sincere interest in science, these dedicated students attended study trips on Saturdays to various types of environments. They visited the Cabrillo Beach tidepools, the Santa Monica Chapparal, the observatory, and El Dorado Park Nature Center.

To encourage creativity the science students sponsored contests in which they had to design a container for an egg. To win the contest the egg had to remain intact after being dropped from the gym roof. There was a paper airplane flying contest and a competition in toothpick bridges.

Any student who has a natural appreciation for his surroundings should consider joining THE SCIENCE CLUB.

Club members explore tidepools at Cabrillo Beach.

You sure this is the right stuff?

F.B.L.A. is a nationally chartered organization which was active on the J.G.H.S. campus until 10 years ago. It was reinstated this year with an overwhelming number of members.

It is hoped that it will meet the needs of the students who would like to be with other students who share a common interest in business.

Along with business activities, we had social events, fund raising activities, joined in competitions, and participated in field trips. The club provided useful business experiences for members and bestowed awards and scholarships on deserving youths in the organization.

Interdependence is a program that brings together teen-aged students with and without various disabilities in an effort to break down barriers between them. Interdependence raising funds were contributed to by local businesses and community service organizations, and through campus student fund raising projects. The Interdependence club received letters of commendation from the Government, and also from the California Senate Rules Committee.

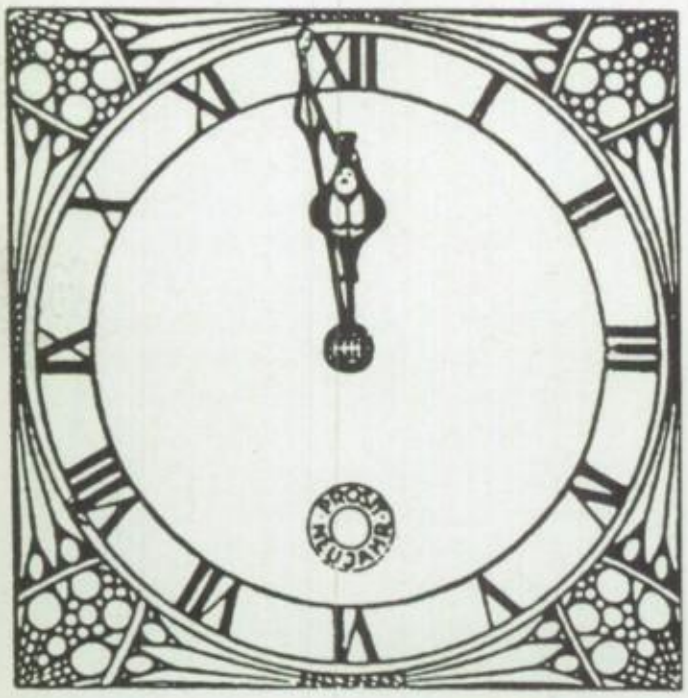
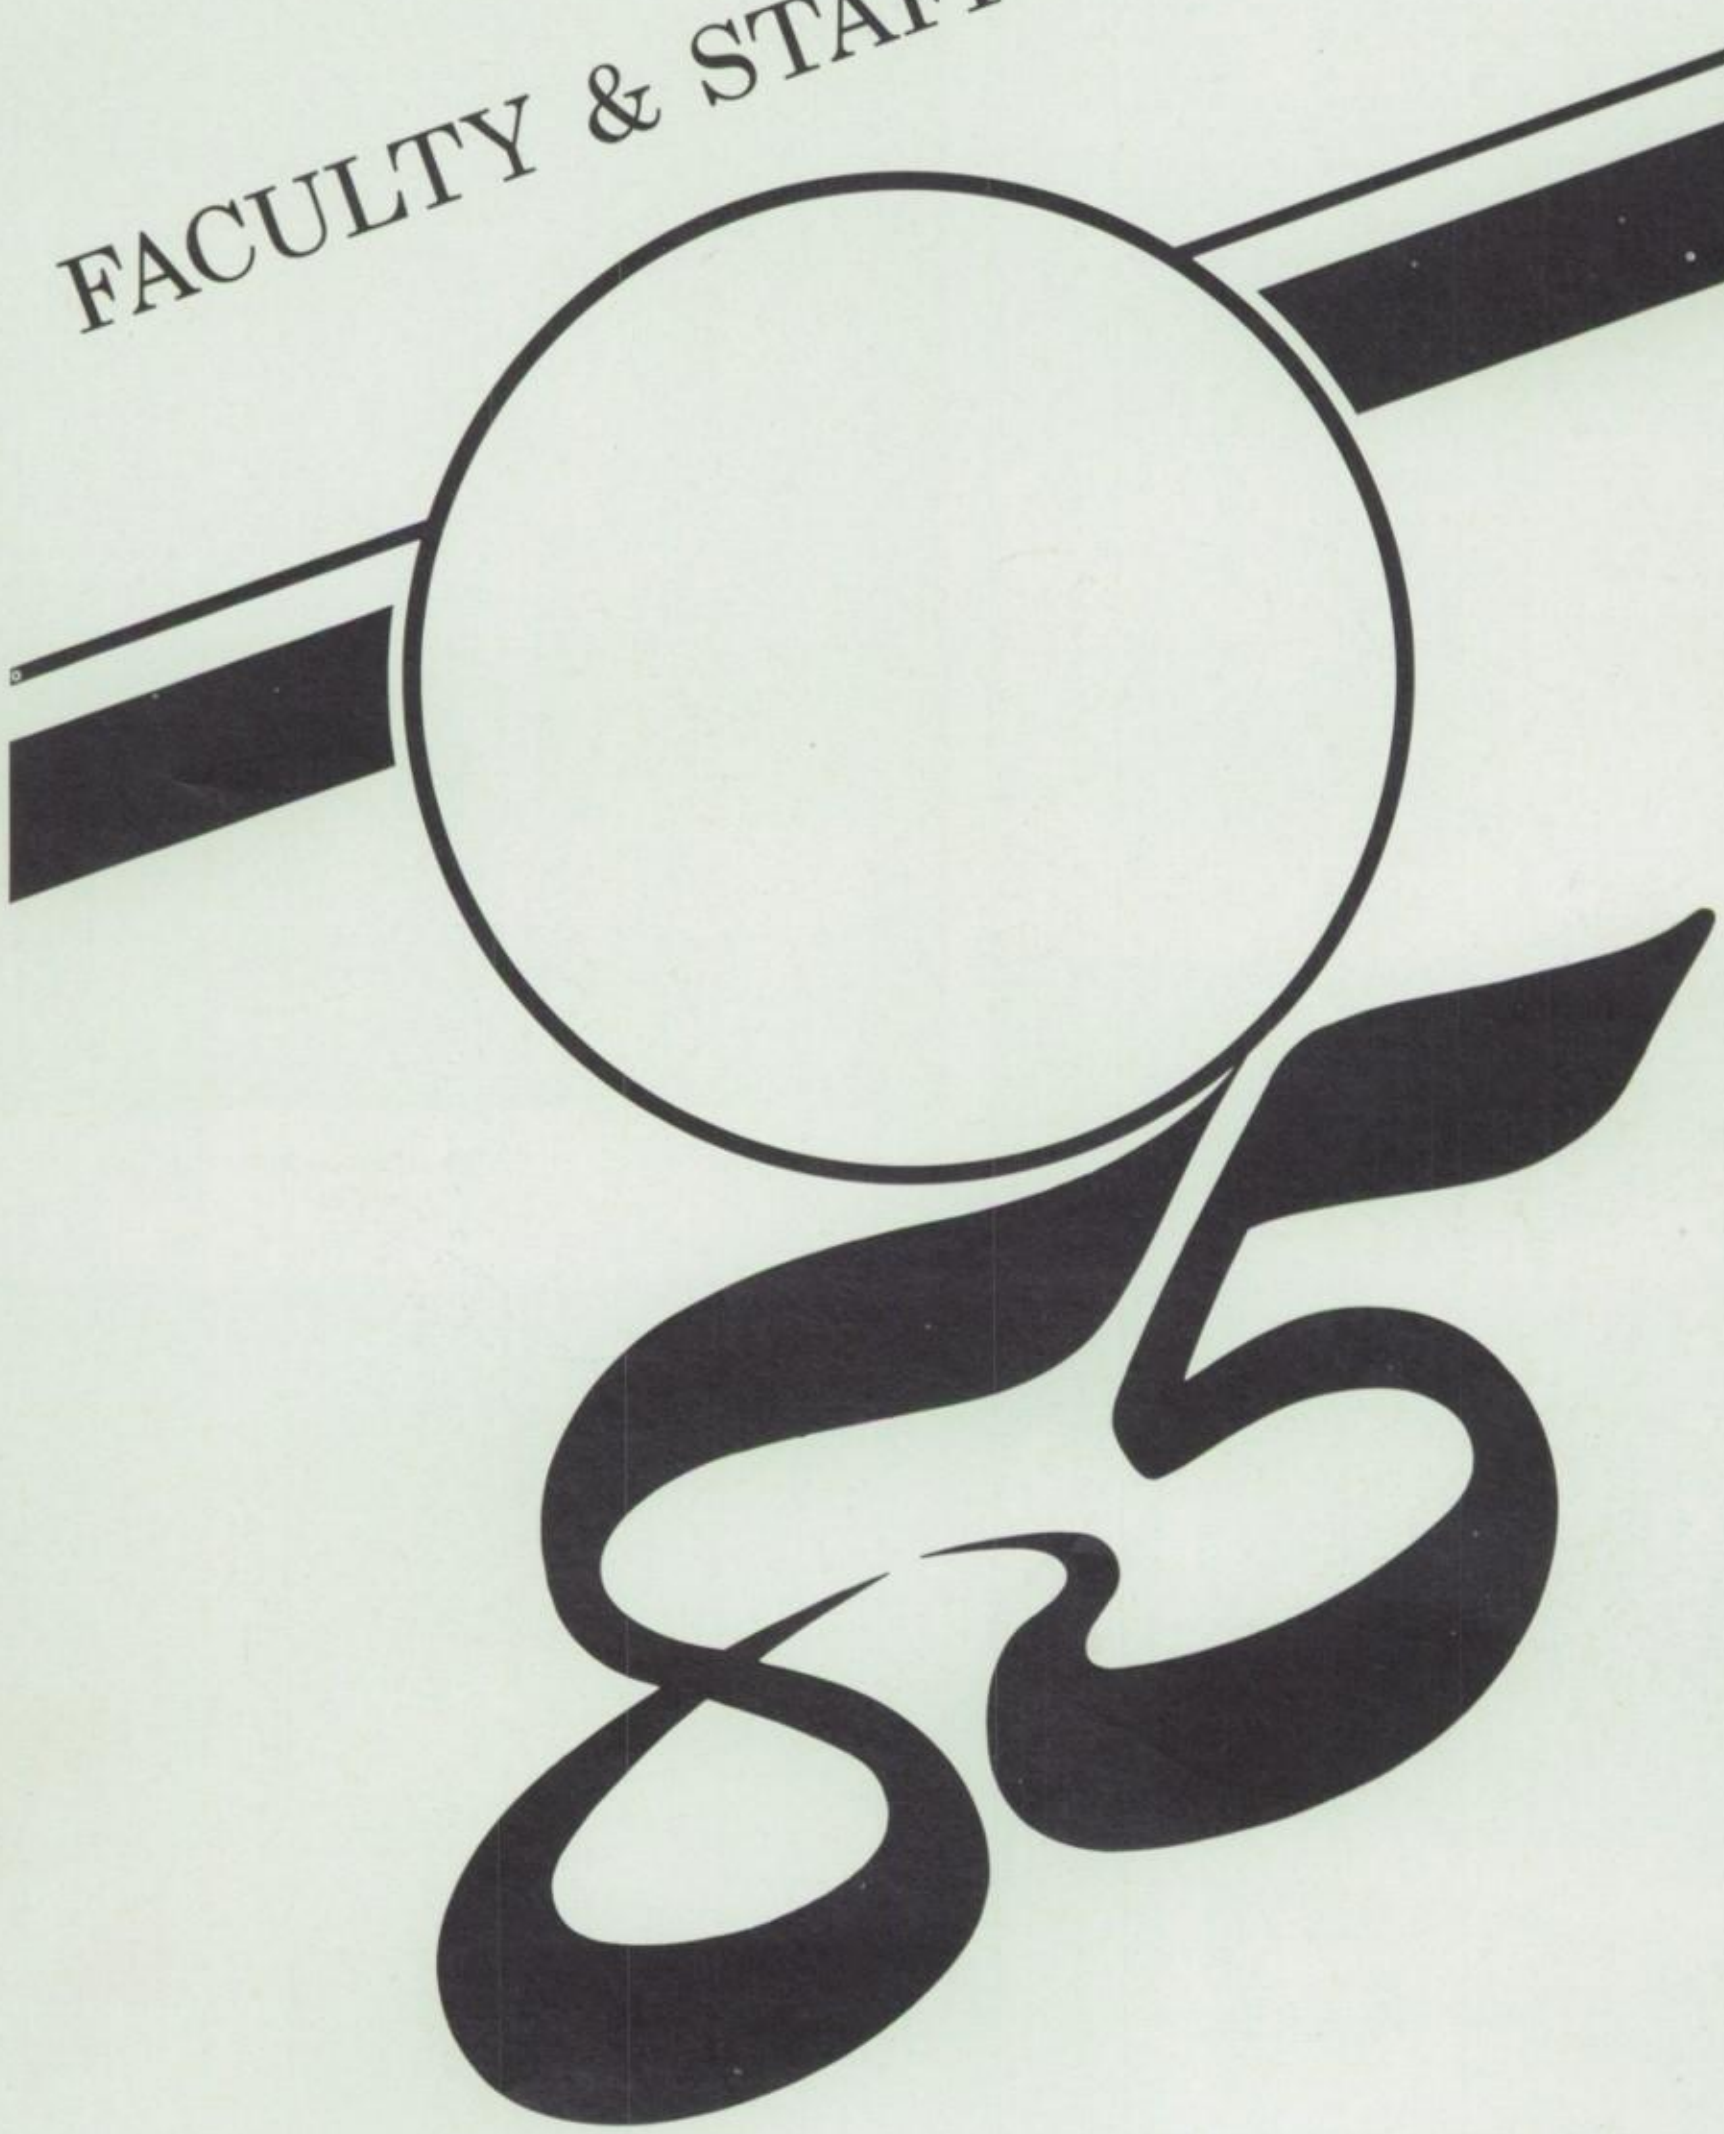
The Eagles Speech Club promoted various speech activities at John Glenn High School. Members of the club attended speech tournaments on both the local and state levels. They worked toward becoming members of the National Forensic League. This is a national honor group for outstanding speech students. All students are invited to join and participate in the club's activities.

The Spotlight Fades On One Of The BEST



It seemed fitting that a final salute be given to Excelsior High School this year. After all, members of this year's graduating class, the Class of 1985, were amongst the last group of students to attend this grand old institution. The graduates of Excelsior are everywhere amongst us: older brothers and sisters, teachers, parents, grandparents, and perhaps even great grandparents. When Excelsior closed its doors in 1981, it was with great sadness that many of us left. However, the spirit of the school followed us here to Glenn, and the unification of the two campuses has grown into what we all know to be the BEST school around. The Class of '85 carried with it a great distinction: it closed the final chapter on a very proud tradition. Good-bye Excelsior!

FACULTY & STAFF



Principal's Message

As we end another successful year at John Glenn, it is fitting that we close it with a pictorial story of our school. This has been very ingeniously done by the yearbook staff. Through their pictorial and journalistic talents they have captured the essence of our school which is a microcosm of this great nation of ours.

We are very proud and appreciative of our staff for the expertise that they have and the commitment and dedication that they give to our students. We are equally proud of our students for their efforts in creating an exemplary school climate.

A special thanks goes to our yearbook advisor, Mr. Richard Garcia and our yearbook coeditors, Maria Martinez and Adriana Gonzalez, for providing the leadership in the production of the Patriot.

Good luck and best wishes.

Never too busy to smile!

Ernie Bell
U.S. History
Navyman who loves the outdoors.

The nautical term "plank owner" refers to the sailor who was aboard a ship when it first set sail. The five people pictured on this page qualify for that distinction. Each one of them was on the staff at Glenn when its doors were opened in 1962.

Mr. Bell described some of the early days at Glenn when the boys' gym was in the current counseling area, when students received lunch out of the library building, and when honks from VW's, strategically placed around campus, served as passing bells.

Our school is young by most standards, but it has now served two generations of Norwalk youth, and these folks represent 23 years of continued quality in our classrooms. The world is nothing without tradition, and John Glenn's "plank owners" contributed to a fine one in a school that ranks among the BEST.

In 1978 due to declining enrollment, Norwalk/LaMirada's intermediate schools were closed. Declining student enrollment once again affected John Glenn. Two fine high schools in our district, Excelsior and Neff were closed. Though the closings saddened many people, Glenn, once again benefited. We received the cream of the crop from both schools, the majority coming from Excelsior. Glenn absorbed these new members with grace and warmth and a new staff was begun.

Good-Bye Mr. Gandolfo

The 1984-85 school year marked the end of a long and successful career in education for Mr. Nicholas Gandolfo.

Mr. Gandolfo was born in East Los Angeles in 1926. He attended Excelsior High School and graduated in 1943. From there he served in the army and was captured by the Germans in WW II during the Battle of the Bulge. He returned from the war and attended Occidental College, where he graduated in 1951.

His career as a teacher started in 1951 at his alma mater, Excelsior. An English teacher, he became head of the English Department during this time. He came to Glenn when it opened and has worked as a counselor ever since.

He gave our school much, always in the most professional, yet friendly way possible. We will truly miss you, Mr. Gandolfo.

The Week Of Putting Out Our BEST

Tiffany dresses up for 50's Day.

The most anticipated week of the school year finally arrived. Campus on Monday looked like the movie set from "Revenge of the Nerds". From the punk to the teased look everybody was showing their "Crazy Hair" styles on Tuesday. Yesterday's teenagers came alive on 50's Day which was on Wednesday. On Thursday large and small families alike enjoyed munching on "Family Picnic Day". Friday brought out the spirit in people as they wore our school colors: red, white, and blue. Thanks to everyone who made this Homecoming Week the BEST ever!

It was the biggest game of the season! Everyone was excited and full of enthusiasm. Our football team was anxious and determined to completely destroy their opponents, the Mayfair Monsoons. The moment everyone had been waiting for arrived. Who was going to be the 1984 Homecoming Queen? As the five beautiful princesses strolled through the middle of the field, the entire crowd became full of excitement. The name was finally revealed and Miss Tammy Parra became our 1984 Homecoming Queen. Our Eagle team completed the night by dominating Mayfair 36 to 6.

HOMECOMING!

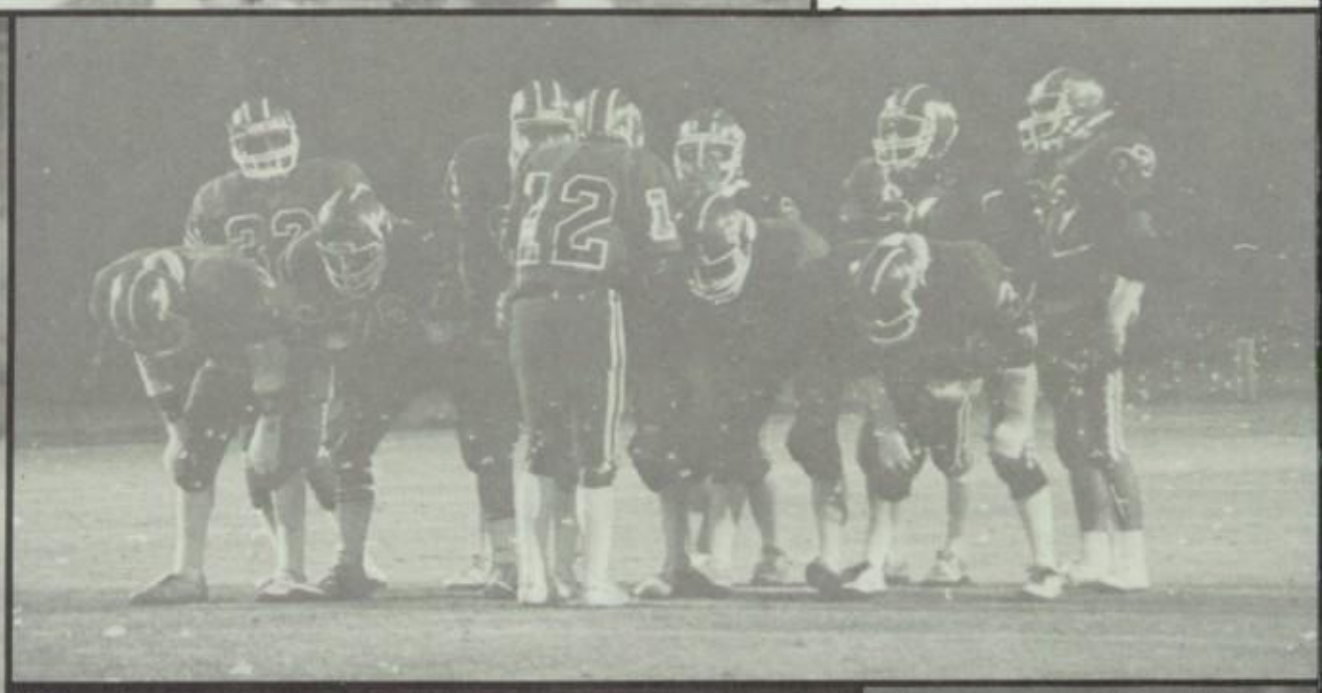
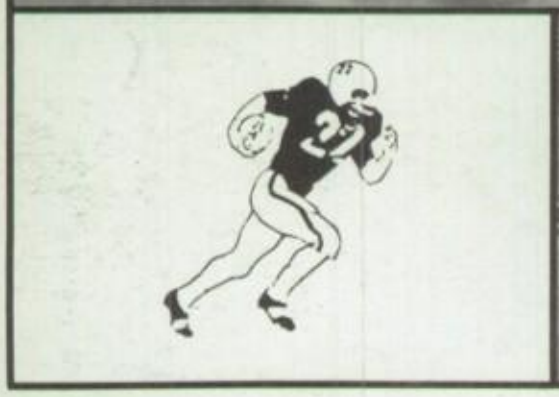
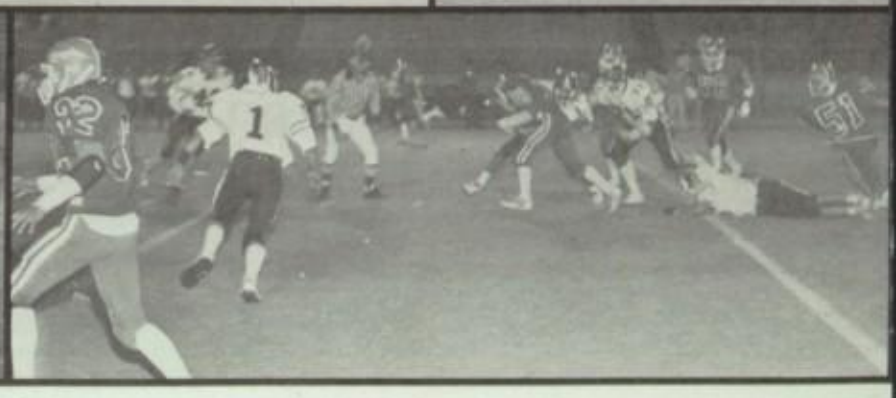
It was one of the greatest games of the season. It was a great team effort with outstanding performances from Paul Caramella, James Ortega, Art Rodriguez, Mike Serna, Carlos Jimenez and the whole 1st defense team. Their great effort brought us a homecoming victory this year. Together the Eagles walked over Mayfair with the final score of 33 to 6.







The Nightlight Shines On Homecoming

The Homecoming Dance was a great success! Everyone that went enjoyed an evening of sights and sounds provided by the Champagne Explosion. The win at the football game motivated everybody to really strut their stuff. And of course alumni were on hand to round out what turned out to be one of the BEST dances of 1984.

Come on, let's freak!

Being chosen Homecoming Queen was the highlight of my senior year, a precious memory that will stay in my heart for the rest of my life. It's a dream come true for any girl, and I owe many thanks to all of you, "my friends" who helped to make this dream a reality. My years at Glenn have become memories I will never forget.

Special thanks to my sponsors, the John Glenn volleyball team and my coach, Susan Hixon. Most of all I would like to thank my friends. I love you all!

This year John Glenn students showed their school spirit by dressing up in some of the most outrageous costumes. Every place you looked, you saw weird and wacky characters. There were French maids, policemen, motorcycle riders, and even a box of cigarettes!

The staff showed their usual, courageous spirit and dressed up as jailbirds, rollerskating clowns and just about anything you could imigine. Everyone had a great time having fun and posing for the camera. Participation was the BEST ever.

The pep rallies brought on an added attraction for the up-coming games. They brought excitement and fun to all who participated and moments of entertainment to everyone watching. The cheerleaders brightened up the gym with posters while the players sat on the side getting "hyped-up" for the game. There were lots of games and routines from various clubs, and the rallies always ended with the traditional class competition, the "spirit stick".

Hey coach, about that play.

Pep bands an integral part of all rallies.

BEST Skaters In Town

Gee, I can skate!

Delia and Leslie getting ready to skate.

This year's roller-skating party was held at Whittier Skateland. It started out as a fund-raiser for our senior class but turned out to be a "fun-raiser" for everyone. It was an event during the week set aside for a small get-together of our peers. We skated in one direction, then, at the sound of the whistle . . . the opposite direction. Trying to skate on wheels instead of your behind was a difficult task but tons of fun. The evening was amazing and exciting. It was a wonderful night!

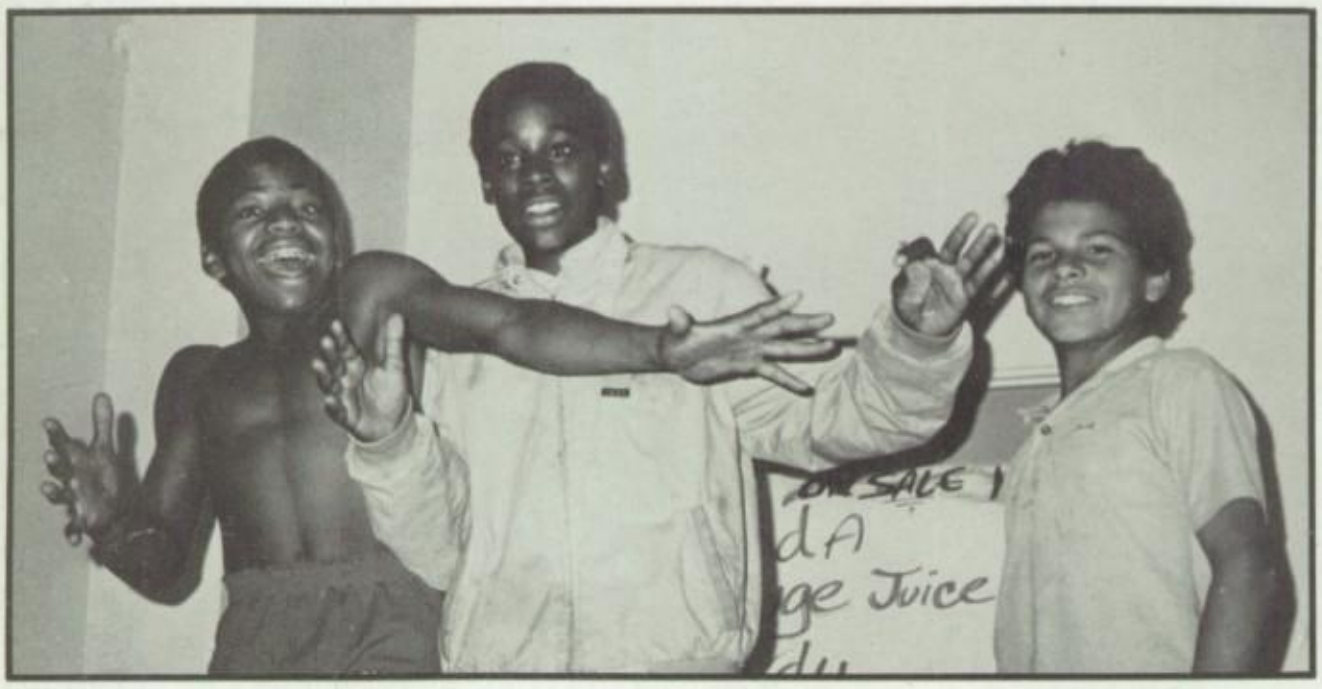
Sports Night Spectacular

I'm not standing here for my health . . . hurry up!

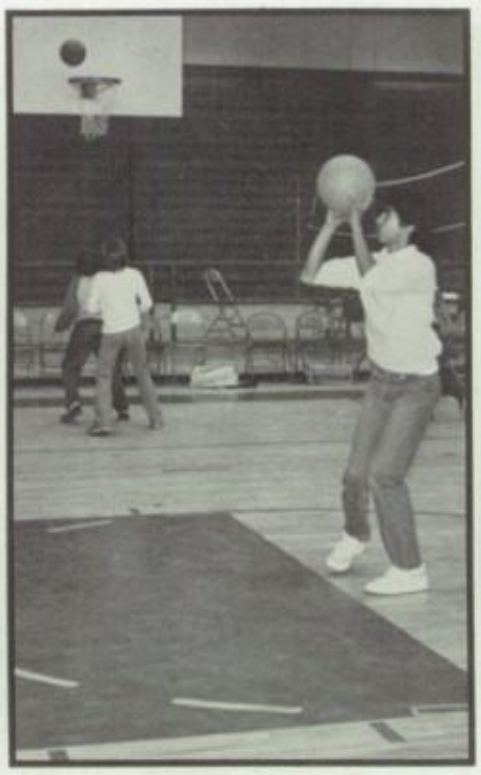
Sports Night was a big attraction to all, especially our athletes and also a few alumni. The gym would be opened once during the week to give all students the opportunity to break the monotony of doing homework every night. We came to play a game of basketball, ping-pong, or volleyball . . . nothing fancy, just a pair of sweats and a dry towel!

The views fine from behind!



Are we bad or what?

Did I say you could do that?



Two points-Swoosh!

Glenn Thespians

For the third time in 4 years the Glenn Thespians were invited to ITAC, the International Theatre Arts Conference held at Ball State University in Muncie, Indiana each summer. This year the Rep. Co., newly formed last year, showcased an original one act play, "Cinderella", by Loren Kuehl, Glenn alumnus, and Miss Diane deJulio.

Again for the third year in a row our Glenn students have been elected to state posts in the California Thespian Organization. At the State Conference, this year held at Fullerton Community College for 3 days in February, Stacy Brewer was elected for the second year as State Secretary and for the first time Alicia Hannum as State Director of Publicity.

Ever moving on to new experiences as well as tried and true, "Cinderella" was performed at the SECTA Theatre Festival for Young Audiences held for 3 days at Cal State University San Bernardino in April. The Rep. Co. showcased with 30 professional and educational companies from all over California.

Dances! Dances! Dances! Dances!

The school year started with the "Aloha" dance, which is now becoming a tradition. People came dressed in Hawaiian shirts with leis wrapped around their necks. Ray Sanchez and Yvonne Thomas, both Juniors, were selected by the crowd as BEST dressed. Because the dance was held on a Thursday night, there was a small crowd who enjoyed dancing to the sounds of "Fascination".

A new dance hit Glenn this January in the form of the "Generic" dance. The cafeteria, where the dance was held, was decorated with black and white signs. DOOR, D.J., WALL, STREAMERS, etc., were displayed in the same fashion. (For all the generic clones who didn't know better) Providing the music for this dance was "Roxy."

The "Hearts and Flowers" dance brought out everyone's romantic side. The cafeteria was decorated with red and white streamers, and flowers in vases adorned the tables.

"... play another slow jam ..."

Don't cry, Dena, you'll get some too.

Slow dancing was it at the Hearts and Flowers.

Dances! Dances! Dances! Dances!

"Roxy" again provided music for us, playing those great slow jams so we could get close to the ones we loved(?).

What guy should I ask? What are we going to wear? These questions were heard around campus in preparation for our annual Sadie Hawkins. This was a dance that was eagerly looked foward to because of the involvement it attracted. Practically every club had a part, providing anything from jails to wedding booths, food to photo buttons. "A fun night" described the feeling toward this dance.

The finale of the year was our Prom. This dance was sponsored by the Juniors for the graduating Seniors. This was a time when everybody put on their finest, because for some, this was their last high school dance.

Assemblies At Their Best

Students and alumni enjoy this year's Homecoming Assembly.

This year, we had many assemblies which, in a way, brought the student body closer together. The Homecoming Assembly was not only for John Glenn students, but for alumni and parents as well. Part of this assembly was the John Glenn Newlywed game which everybody enjoyed. There was also a kick-off assembly for our first annual talent show.

The idea was to get everybody excited and enthusiastic about this fantastic event. Then there was our traditional Christmas Assembly. Christmas wouldn't have been the same without the carols, the band, and the beautifully decorated gym which filled us with the spirit of the season. One of the assemblies which had the greatest impact on the students as well as on the faculty, the administration, and invited guests, was the Toma Assembly. This assembly opened our eyes to the many problems of drug and alcohol abuse. The multi-media Camfel presentation kept us on the edges of our seats completely involved in the sights and sounds of this wonderful presentation. We also had our annual Cinco de Mayo assembly whose theme accented the cultural diversity which exists amongst our own student body. Students from the nearby feeder schools were invited to perform traditional Mexican dances. Our own accomplished Folklorico group showed as the results of their dedication and hard work. The highlight of this assembly was the announcement of the 1985 Cinco de Mayo Court. Assemblies entertained, informed, and taught while giving a break to the routine of a regular school week.

As the night progressed everyone anxiously awaited the crowning of our 1984 Christmas Court. Our anticipation grew greater as the moment finally arrived. The court was announced and Ravy Hem was crowned our new Queen. It was a night that will forever be in our memories.

Spotlight On Talent

The Astro Extravaganza started out as an effort to pull our ASB out of debt. It ended up being a learning and sharing experience for all its participants. Our own Mr. Drake proposed the idea that a group of wild and crazy associates known as the OOO-WAH-OOO GANG head up an "all star" review that would put on a fun filled show to help raise money. Mr. Frank Garcia and Ms. Barrett took the suggestion and through their outstanding planning and coordinating rounded up singers, dancers, comedy acts, and musicians who, with tireless effort and dedication, put on a show we won't soon forget. Teachers and students danced, sang, and made us laugh. The Eagle band, decked out in bright new uniforms, was as superb as ever. A highlight of the show was Damon Trice and Friends performing renditions of Michael Jackson and Prince. Others such as Mr. Wilson and Mr. Riddar put in countless hours backstage helping to make things go right. All this hard work and effort was rewarded both by the closeness and friendship that pervaded as well as the financial success that was gained. It was certainly one of the BEST efforts of the year.

"The Fabulous Fable Factory"

Our Christmas production this year was a modern-day version of tales told by the Green fabulist of the sixth century, B.C., Aesop. His work usually contains a lesson in morality.

Aesop's fables are presented differently and more dramatically by connecting them with a story line running through the entire show. The show opens in a supposedly abandoned warehouse where Monica discovers Aesop and his fabulous fable factory in not the best of conditions . . . something is missing!

Aesop and his seven part factory are capable of traveling through time and place in search of a moralmaker. With this addition of the factory's eighth part, the factory is considered complete.

12 year old Monica's discontent with her life and duties makes her the logical candidate for the position, but it's a permanent position. She can never return to her home and family. She must make a choice - she does and realizes that her responsibilities to herself and her family are not so bad. She chooses to return home instead of being a part of "The Fabulous Fable Factory."

Better Education = Students & Teachers

Gabriel and Dale explore under the hood.

Connie and Desirre combine their knowledge to review for a test.

The amount and quality of academic programs available to our students equaled or bettered that of any other school in our district. The classes offered, ROP, alternative programs, 8th grade Core, advanced placement, and computer programs name but a few.

With the advent of Senate Bill 813 requiring more units for graduation and boosting up the requirements for English, math, and science for future Glenn graduates, the district set about revising curricula. The total program in the basic academic areas was revised in order to meet the state requirements and ultimately to produce a better equipped and more well rounded individual.

Clubs were an extension of the classroom offering opportunities to broaden horizons, visit institutions of higher learning, and constantly trying to build a more sensitive aware citizen. ROP offered training in job skills here on campus as well as off. Upward Bound introduced potential college candidates to the world of university life. MESA kindled the interest of math and science oriented students. Tutoring programs were available to give that bit of extra help needed just to understand or perhaps to earn better grades. And for those less studious types, there were programs such as RAP, Opportunity, and EXPO to encourage some of our "wayward sheep" to come back into the fold. Sports contributed by teaching dedication and stamina. Eighth grade was organized into a separate entity to deal with the unique needs of our youngest members of the student body. The Core teachers brought to them a lot of much needed enthusiasm.

Academic excellence was an ongoing goal to be achieved. It was striven for in the required courses, the electives, counseling, alternative programs, and even in the extra-curricular areas. Glenn students excelled in many areas because of the earnest efforts of their teachers, counselors, and administrators.

Learning Travels Beyond The Classroom

Many of our groups on campus experienced learning outside of the classroom. The pictures on this page show some of the activities that various clubs participated in. The teachers and students alike, enjoyed these ventures as they afforded them a learning opportunity in a relaxed, fun setting. The groups attended plays, performances, competitions, nature outings, whale watches, and even the filming of a T.V. program, "The Love Connection". Our 4th Annual Powder Puff came in with a bang! As Junior and Senior boys and girls were getting ready to cheer and play, the rest of us wondered who was going to win. Were the Seniors going to be the winners as they traditionally are? Or would the Juniors upset the tradition? If the score was to be based on how many cheerleaders there were, the Juniors would definitely be the victors. The class of "86" had one of the biggest squads in the history of Powder Puff. Both sides battled, putting forth their all, but the final score, 7-0, proved that for this year, at least, the Juniors were the BEST!

A Successful Cinco De Mayo Celebration

Our Cinco de Mayo Court was larger than ever. This greater involvement helped raise over $3,000, most of which went toward scholarship grants for our own graduating seniors. The participants raised the money through the not-so-easy task of selling 10¢ and 25¢ tickets. The tickets were a vote apiece for each of the girls. Their hard work paid off, certainly in the net amount of money raised, but the girls also were afforded the opportunity to work with each other in a friendly spirit of competition. Along with the traditional flowers and crowns each girl received, the court was taken to a celebration luncheon. The publicity they received was just one other small way of saying, "Thanks girls, for a job well done."

Cinco de Mayo week was a big celebration which included many events. During the week an assembly was held, in which elementary students from our feeder schools, the John Glenn Ballet Folklorico, and the award winning marching band performed. The court was introduced and were accompanied by their escorts. An evening performance took place in the cafeteria for faculty, students and parents. The last day, classes let out at noon in order for us to attend a carnival put on by all the clubs on campus. There were games, plenty to munch on, and a DJ spinning sounds for us to get down with. The second half of this double-barreled day was a well attended dance in our gymnasium.

A Life Without Art Is A Life Incomplete

To reinforce the concept of the arts as a basic and essential ingredient of human existence, and to fill the urgent need for specialized arts in the Los Angeles area, a consortium of eight Los Angeles County school districts, in association with UCLA Extension, founded The Academy of Performing and Visual Arts.

The primary goals were to provide students with exposure to and the opportunity to participate in the arts, to nurture talent by working with professionals in a highly disciplined environment, and to prepare students for higher education in the arts, for internships, or enrichment for these highly motivated students.

Students were chosen on the basis of motivation, career interest in the arts, and talent potential. John Glenn swept the competition by nabbing 12 of the coveted positions. In the area of dance were Alicia Flores, Lisa Ortega, and Linda Lee. Linda McAllister, Lisa Ramirez, and Shannon Rains won the acting positions. Massah Chatton, Bartt Wheeler, and Armando Vera were awarded the television and film production slots while Ronald Ramos captured a place in art. Due, no doubt, to their fine backgrounds under Ms. deJulio and Mrs. Edwards, Jody Salter, Robyn Maynard, and Alicia Hanna ran away with all three spots in musical theater.

We were very proud of these talented individuals. Their experiences at Excelsior High School and Falcon Cable were invaluable to them. Once again we saw that Glenn contains the BEST students in town.

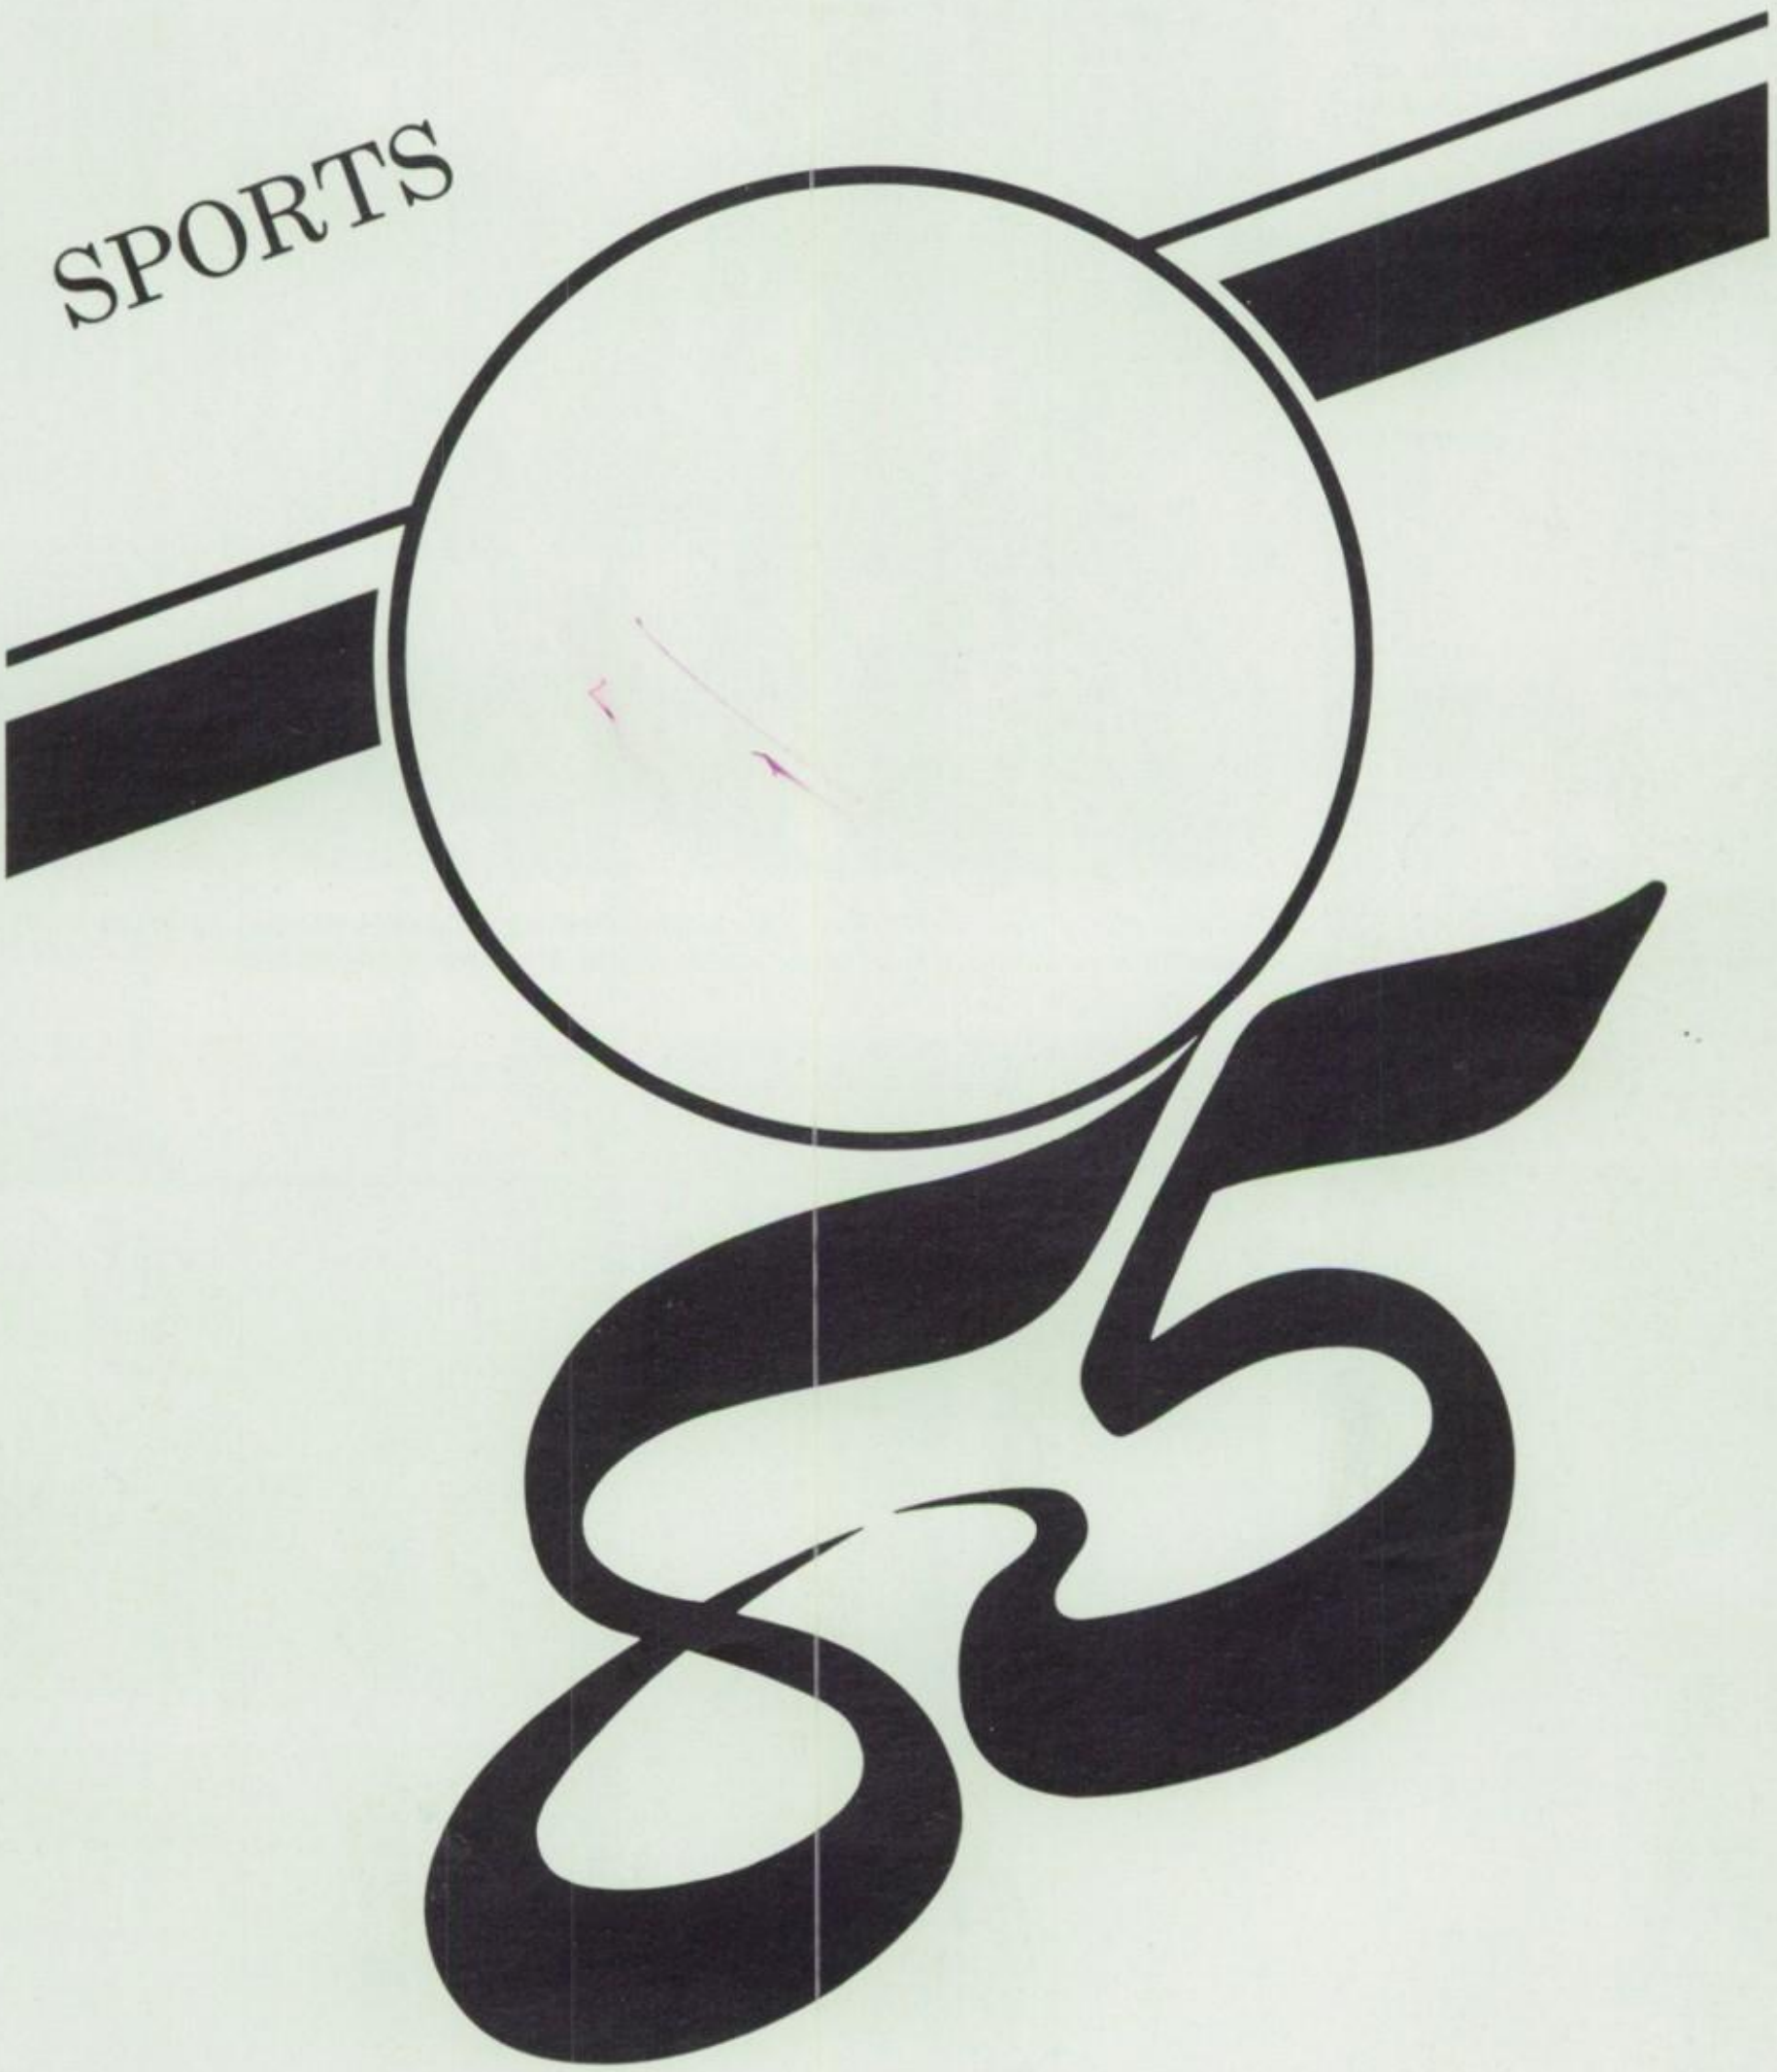
SPORTS



Varsity Tennis Holds Strong!!!

Girls' Varsity Tennis was an exciting opportunity for our lady Eagles to compete against each other, sharpen their skills, and go on to compete against other teams. This year was a great year for the team. Out of twenty games they only lost four and succeeded in making it to C.I.F. These girls worked for long hours practicing for perfection.

The last mile is the longest.

Cliff is one with the wind.

It takes a different type of outlook to run 12 to 16 miles and enjoy it. The secret to fun running is attitude; it is always an adventure. Running brings things into perspective. Somewhere after a half hour of running the day's "mountains" become "mole hills" and seem easier to handle. A sound mind goes with a sound body. This was borne out by the fact that most of our runners had G.P.A.'s above 3.0.

Spotlighting Varsity's Action!

This year's Varsity Football Team had its ups and downs. Right from the beginning the team suffered some injuries and was injury plagued for the rest of the year. The players worked hard, and the coaches never gave up. Although they only won three games they gave 100% each time they played. In our hearts the team was still a winner.

Girls' Varsity Basketball Shoots Toward The BEST

This year's Girls' Varsity Basketball team was made up of returning players from years past. They worked hard as a team. Some girls were even injured during games, but still, they didn't give up. They tried their hardest to play good games.

Girls' Basketball, led by Nancy Rangel was voted Second team in all league. By putting in many hours of practice, the girls are sure to return and become better next year. Good Luck!

Varsity Bounces To C.I.F.

This year our Varsity basketball team's skill and talent shocked many. At the beginning of the season the team was expected to come in last place and yet they finished the season as surburban league champions with a 7-4 record. Our mighty Eagle cagers even went as far as to go to C.I.F. Although they were eliminated after the first game against Agoura, the score was close and the talent they exhibited was pleasing to all the enthusiastic fans who came out to support them. Tony Nelson led the team with a total of 309 points for the season with Rene Torrez following closely behind with 223. After the spectacular effort and teamwork that was displayed by our fabulous Varsity team, it's definite that they will never be misjudged or underestimated again.

J.V. Basketball Stretches For The Best

This year, the John Glenn J.V. Basketball Eagles had an exciting season. They proved that they knew how to play the game with sportsmanship. Led by the Most Valuable Player, John Torres. The freshmen team had an exciting and successful season ending with a 14-10 record.

They played in the Consolation Championship game in Fountain Valley and took a 3rd place trophy at the La Puente Tournament, where John Torres was named All-Tourney. They finished 3rd in the League.

The Freshmen squad, played hard and never gave up in any game. Top scorers were John Torres, Vince Longoria, Jon Lathrop, and Andy Garcia. The rest of the team contributed to a great defense. Thanks for a good year, Frosh Squad.

Wrestling is a tough individual sport. It is a one-on-one sport in which the individual has only himself and his skill to rely upon. The team had a very impressive season, despite the fact that some of the members had never even wrestled before.

The wrestlers claimed that although their work-outs were both strenuous and vigorous, they were definitely essential for improvement. Coaches Domingez and Cobarrubio pushed the guys hard, but the improvement of the team in general showed that it was worth the effort. One member, captain Frank Delgadillo went to CIF.

This year the John Glenn Eagle soccer team proved once more that they're the BEST. Although the team got off to a slow start during the pre-season games, they showed who they were during the regular season games. The team went undefeated during the first round and lost only two games in the second round. They made it to C.I.F. and won their first game ever in that category. The second round of C.I.F. was a heart breaker. The final score read 4-2, but should have been 5-4 Glenn. Most observers felt that two of our goals had been taken away unjustly. Our guys, nontheless, showed great sportsmanship.

We'd like to thank the Varsity team and coach Ewing for a very exciting season.

Spotlight On Track & Field

Track is a carnival, a festival, a rite of spring. Each event is part of the celebration. Pole vaulters are high wire acts; the jumpers and hurdlers, the clowns; the shot and discus, the muscle men; the sprinters, the thoroughbred horses, and the distance runners, the steady reliable workhorses on which everything else stands.

The most important thing in track is not winning, but achieving to the outer-limits of ones ability. Excellence comes as a result of steady persistant self-discipline. Sacrificing today's pleasure, for tomorrow's victory is the price of success in track as well as later on in life.

J.V. Softball really surprised us this year by showing us the skills that they achieved during their practices and practice games. The team coach, Jerry Smish, helped and encouraged them to be a tough team. In their games the team showed us the true meaning of sportsmanship. It didn't matter if they won or lost a game; what mattered was the way they encouraged each other to play their BEST!

Spotlight On

This years varsity gymnastics members were all first timers. Varsity requires optional routines, which meant that each girl had to make up her own original, creative routine. This was more difficult than it seemed. Ten Skills had to be included in each routine. Each skill was rated medium or superior. The four areas in gymnastics included the floor exercises, uneven parallel bars, vault, and the beam. The participants must display flexibility, strength, tumbling, dance, back-to-back skills, control, and showmanship. Each routine may not exceed one mintue thirty seconds.

This years gymnastic's team practiced between two and three hours everyday. Being a gymnast is not merely putting in time for practice, it involves courage, ability, confidence, discipline, control, wits, and most of all a positive mental attitude! These aspects are what made this years gymnastics team unique. They gave it all they had and had loads of fun while doing their BEST!

Spotlight On The BEST Of Eighth Grade Sports

This year, sports were a big hit with our eighth graders. Among the sports they played were football, basketball, softball, and track. They completely enjoyed participating in such sports. They also enjoyed the competition of playing against other schools, as it was a new experience for them. Not only did they get to compete against other schools, but they also learned the meaning of true sportsmanship!

But it wasn't always work with no play. The eighth grade track team enjoyed a well-deserved pizza party.

It was great that these young students were willing to participate in such school activities with their peers, as they promoted school spirit at the same time. We hope to see them next year and the years to come on JV and Varsity teams. Good luck, eighth graders, and see you next year!

Whatever goals you may pursue, your dedication to excellence, hard work and integrity will guarantee your success.

Senator Paul Carpenter

I, Saumya Amarasinghe, bequeath my special thanks to my mom and pop for helping me make my life a success, thanks to all my friends for making my high school years so special; we've shared some great memories that I'll always treasure! Thanks to the J.G.H.S. Drill Team for all the fun years! Congratulations to the great class of "85"!!

I, Christins Andujo, to the future seniors, bequeath all my left-over used typewriter correcting tape, my typewriter and computer disks, my rolling chairs in the business classes, and the bubble-gum stuck under the desks, my timed writing book, and most of all, SENIOR SQUARE!!!!!!!

I, Aurora Montes, bequeath all my books, notes, and knowledge to the underclassmen who know me, especially those who are going to have Mr. Fernety or Mrs. Starnes! To all my friends, THANX! Seniors, GOOD LUCK! Sue, remember the VCR! Myoung, think U.C.I., and to Mrs. Schegetz, I leave the memories and headaches of her very large first period class (ha, ha)!!

I, Rosa Isela Brizuela, bequeath my top locker which probably can't be reached, my messy folders, my used typewriters in rooms 802 & 803 and all the great teachers in the business department to all the juniors, but most of all, I leave them SENIOR SQUARE!

I, David Brown, bequeath my collection of empty beer-bottles to Dan Peel, to Roy Griffin, my car and its salvageable parts, to Shawn Hillman, my head concessionist position at the Alondra 6 Theaters, and finally my estate and savings to my dog Skippy . . .

I, Darlene Belmonte, leave my friends Papoose, Elaine, and Margie holding down at Glenn. I hope Willie and Papoose, Manuel and Elaine, Margie and Robert stay together forever.

I, Kathy Brown, bequeath my good grades, my A.P. English folder and my championship tennis glove to Thalia Montalvo. To my sister Cindy, I leave all the good memories and luck on tests, and to Mr. Fernety, I leave all the future HOOLIGANS of 1986!!

I, Rosimar Castinon, bequeath my best wishes to everyone. When I was an 8th grader, I wanted the years to go by fast so that I could graduate, now that I'm a Senior, I don't want the year to end. I wish I could stay in school longer, but since I can't, I leave my little sister Marycruz, all my best wishes and I hope she succeeds in the years to come.

I, Massah Chatton, leave my 69 Opel Kadet Hatchback to Damon and Bill. May they take the responsibilities of washing and cleaning it, and most of all, of getting it fixed! As soon as it gets fixed and painted red, lowered to a "T", and it gets a new sports car racing engine, they could willingly give it back!!!

I, Ana Centeno, bequeath my leotards to my sister, I leave my locker to the future 8th graders, and I hope all my friends keep in touch, and that we all get together as much as possible.

I, Mia Chavez, a.k.a. Joe Neric, bequeath all my experience on how NOT to dress at Glenn to all my trendies who walk around campus like a bunch of clones. Now that I'm gone, you have to make Glenn look as good as I did!

I, Bill Cosby, bequeath 2% of the first $10,000 I earn to John Glenn High, but only if they have a big beer party — no way, huh? Then just bring a lot of pretty girls, okay?

I, Kim Cunningham, bequeath my deepest sympathy to all underclassmen. To my little sister Penny, GOOD LUCK! To all — BEWARE OF THE BIRDS!!!!!!

I, Rossana Dienzo, bequeath my assortment of hats to Mr. Fernety, an adequate sum of money to Mr. Andersen, my U2 memorabilia to the highest bidders, and all the accumulated knowledge I've received to all underclassmen.

I, Casey Dowling, to all underclassmen with hopes of becoming ASB President, leave my annual excused tardy passes, my gavel, and especially my charm and good looks!

I, Frank Elliot, bequeath to Mr. Larson and Mr. Pena a cork for their mouths, to Mr. Robillard, a pint of whiskey, to Mr. Crossman, a bus ticket to Alaska, to Mr. Applebee a padded cell, and to Mr. Golgart, a Batman decoder ring.

I, Maurice Estrada, leave all my GQ clothes to the class of '86.

I, Gabriel Figueroa, leave my old pens and paper, and my alarm clock to the class of '86, and all the underclassmen. HAVE FUN!!!

I, Olivia Garcia, leave my dance clothes to my little sister, my locker to the class of '86, all my school books to the guys and gals of John Glenn High, and to all 8th graders, the CAFETERIA FOOD!!!

I, Anna Gomez, bequeath my imported mousse from France to Mr. Pena. I also leave him my life's savings so he can buy himself a new car. To Ms. Wilcox, I leave my old and raggy leg warmers, and finally to my dearest Mr. Crippen, I leave the future 10th grade Waldos for his classes.

I, Chris Gonzales, bequeath my personal restaurant (Taco Bell) to John Glenn High in replace of the Space Bar.

I, Adriana Gonzalez, bequeath the chocolate-chip cookies we won't be able to have anymore to next year's cookie monstors, to Rosemary Chavez, I leave the memories and old letters from 5th period yearbook staff and a coke! To my best buddy Rosie, (Snoopy), I leave an egg-salad sandwich and two years of funny memories! To Maria Martinez, I leave a camera with flash and a new car! To Richie Rich and Arnold (Sam) I leave lots of laughs and lots of luck . . . You'll need it! To all my teachers I leave a BIG thanks, and to my twin sisters I leave my clothes. Oh! To Wilbur Canty I leave my LISP . . .

I, Leslie Hemenway, bequeath to Dennis West, my "A" in chemistry, my loud voice to Donna Vincent, to Rene Torres I leave his own hall passes, to Dena Smith I leave ALL pep rallies and the area of my upper torso, and to my brother Darrin, I, leave whatever is left over . . . you're gonna need it!

I, Greg Hunter, bequeath my body to erotic science and my phone book along with my left-over women to Richard Melendez.

I, Kelly Kaelin, bequeath to Frank, all my oatmeal cookies and the calories that go with them. I leave Cindy my locker with the broken handle, and to Denise Thomas, I leave all the luck in the world on next year's softball team, you'll need it!!

I, Teresa Kenney, bequeath my love and friendship forever to my Tarzan, (Johnny), Boobies, (Scott), and Corvette (Yvette). I also leave Scott my lingerie for his future use. I leave Roland very loving memories of two great years, and I give my love to my guy, Tim, now and forever.

I, Lorraine Lemos, to all underclassmen, bequeath my great intelligence, good sense of humor, and my sharp wit! To all juniors, I leave the Senior Spirit and Eagle Pride!

I, Rhonda Lewter, bequeath my parking space to Odulia. I would leave Mr. Fernety some hair, but I can't find any his color. To all underclassmen, I leave best wishes for their years left here, enjoy them!

I, Eric Lind, bequeath Mrs. Edwards' motto, "Commitment and Feedbak" to all future drama people. To Laure, I leave my government work, and to Shannon, all my bitten off fingernails.

I, Shelley Rae Losee, bequeath my attendance record and all my referrals I never turned in to my sister Cindy, Good Luck!!

I, Judy Madrigal, leave best wishes to the class of 1986 and to Sonja Viveros who I am going to miss very much (especially all the good laughs we had). To next year's yearbook staff, I leave a box of pencils, and my big mouth I leave to Patricia (solid) and Sonja.

I, Miguel Madrigal, bequeath ADVICE . . . Learn all you can!

People can take all your material possesions except your pride and knowledge. Make it fun to learn, though!

I, Patty Mandujano, bequeath my locker and hope that whoever has it next will get it fixed! I hope that all seniors had a great year. To my buddies Lisa, Anna, and Rosa B., let's keep in touch, O.K.? Remember, Class of "85" # 1!

I, Alexendra Martinez want to leave my very best wishes to everyone left here to graduate. Also, my warmest wishes to Ha Wilson, Yolanda Betancourt, Melinda Santos, and Madeline Griego. Make the best of the years you have left, they will always be good memories.

I, Eddie Martinez, bequeath my prize possesions; my smelly Nikes to Miss Nelson, my toe touches to Andre, my calculator to Rick, and my "C" in chemistry to Paul Flores, and my love to Eva, Orlantha, and the others in my life.

I, Maria Martinez, bequeath a whole collection of "Teddybears" and "Giraffes," to my little sister Delia, to Marble-head, (Alva), I leave "Crazy Curls" to take care of, to Sonja Viveros, I leave the yearbook staff's 35mm camera with plenty of film, to Pat Montes, I leave a new pair of sun-glasses. As to my brother Sam, I leave him a new tennis raquette which I will buy him someday. Best of luck, class of "85"

I, Linda McAllister, bequeath all of my dance clothes and locker to my sister Robyn. Also, all of Mrs. Edwards' speeches and lectures to all of the future drama stars. I leave my lifesavers and other paraphanelia to the lucky underlcassmen. Party Animal!

I, Richard Melendez Jr., bequeath my eyes to science, and a starring role in Ghostbusters II to Greg Hunter.

I, James Ortega, bequeath my # 21 to the future John Glenn Hall of Fame and I leave my party materials to the school.

I, Tina Ortega, leave nothing to no one! I am GREEDY!!!!

I, Neha Patel bequeath thanks to my aunt and uncle for helping me make my life very happy. Thanks to my friends for being there when I needed them, and thanks to Shobha and Angie who helped me with my problems. Luv ya.

I, Tammy Parra, leave all the clothes that were stolen from my gym locker to those who now own them!!!!

I, Dan Peel, bequeath to David Brown, my collection of punk rock records because they're all at his house anyway! To Roy Griffin, I leave the empty beer bottles given to me by David, and to Shawn, I leave my . . . I'll think about it.

I, Sandra Perez, bequeath to Sabrina Valdez my great Drill Team abilities and my spot in the drill team block.

I, Elaine Pitt, bequeath to my beloved underclassmen, the pleasure of knowing me!!

I, Richard Rodarte, bequeath NOTHING! I'm taking everything I own with me, except my cheat-sheets, I leave them to who ever can find them!!

I, Denise Rodriguez, equeath to Rolinda Cuevas, lots of luck for getting who she wants, to Denise Thomas every good piece of pizza in town, and to Ms. Cissy Villegas, the best party materials around. Have fun you guys, but stay out of trouble!

I, Joseph Santana, bequeath my great playing abilities on the saxophone and my needs to Jerome Brito and David Gandara. Good luck in next year's band!

I, Rosie Barrera, bequeath to Margo, my sis, good luck with Edward, and to my buddy Adriana (Luther) all the time in the world to do all the work for yearbook!! and to Richie Rich, a BIG kiss.

I, Matt Coley, bequeath my intelligence to the science and math departments. I will my aspirations to Mike C., Roser C. and Jason G., and my friendship to the preternatural "class of 85" Finally, to all, I leave these words, "Success is a journey, and not a destination."

I, Brad Whitly, bequeath the memory of "ME", it's the Best I can give.

I, Denise Woodell, bequeath my Powder Puff Jersey (# 66 Death) to my little sister Bertha Figueroa, and to all my crazy friends who won't see me anymore . . . Chow! May God Bless John DeLaTorre, Tony Leon-Guererro, etc. . . . 4-ever.

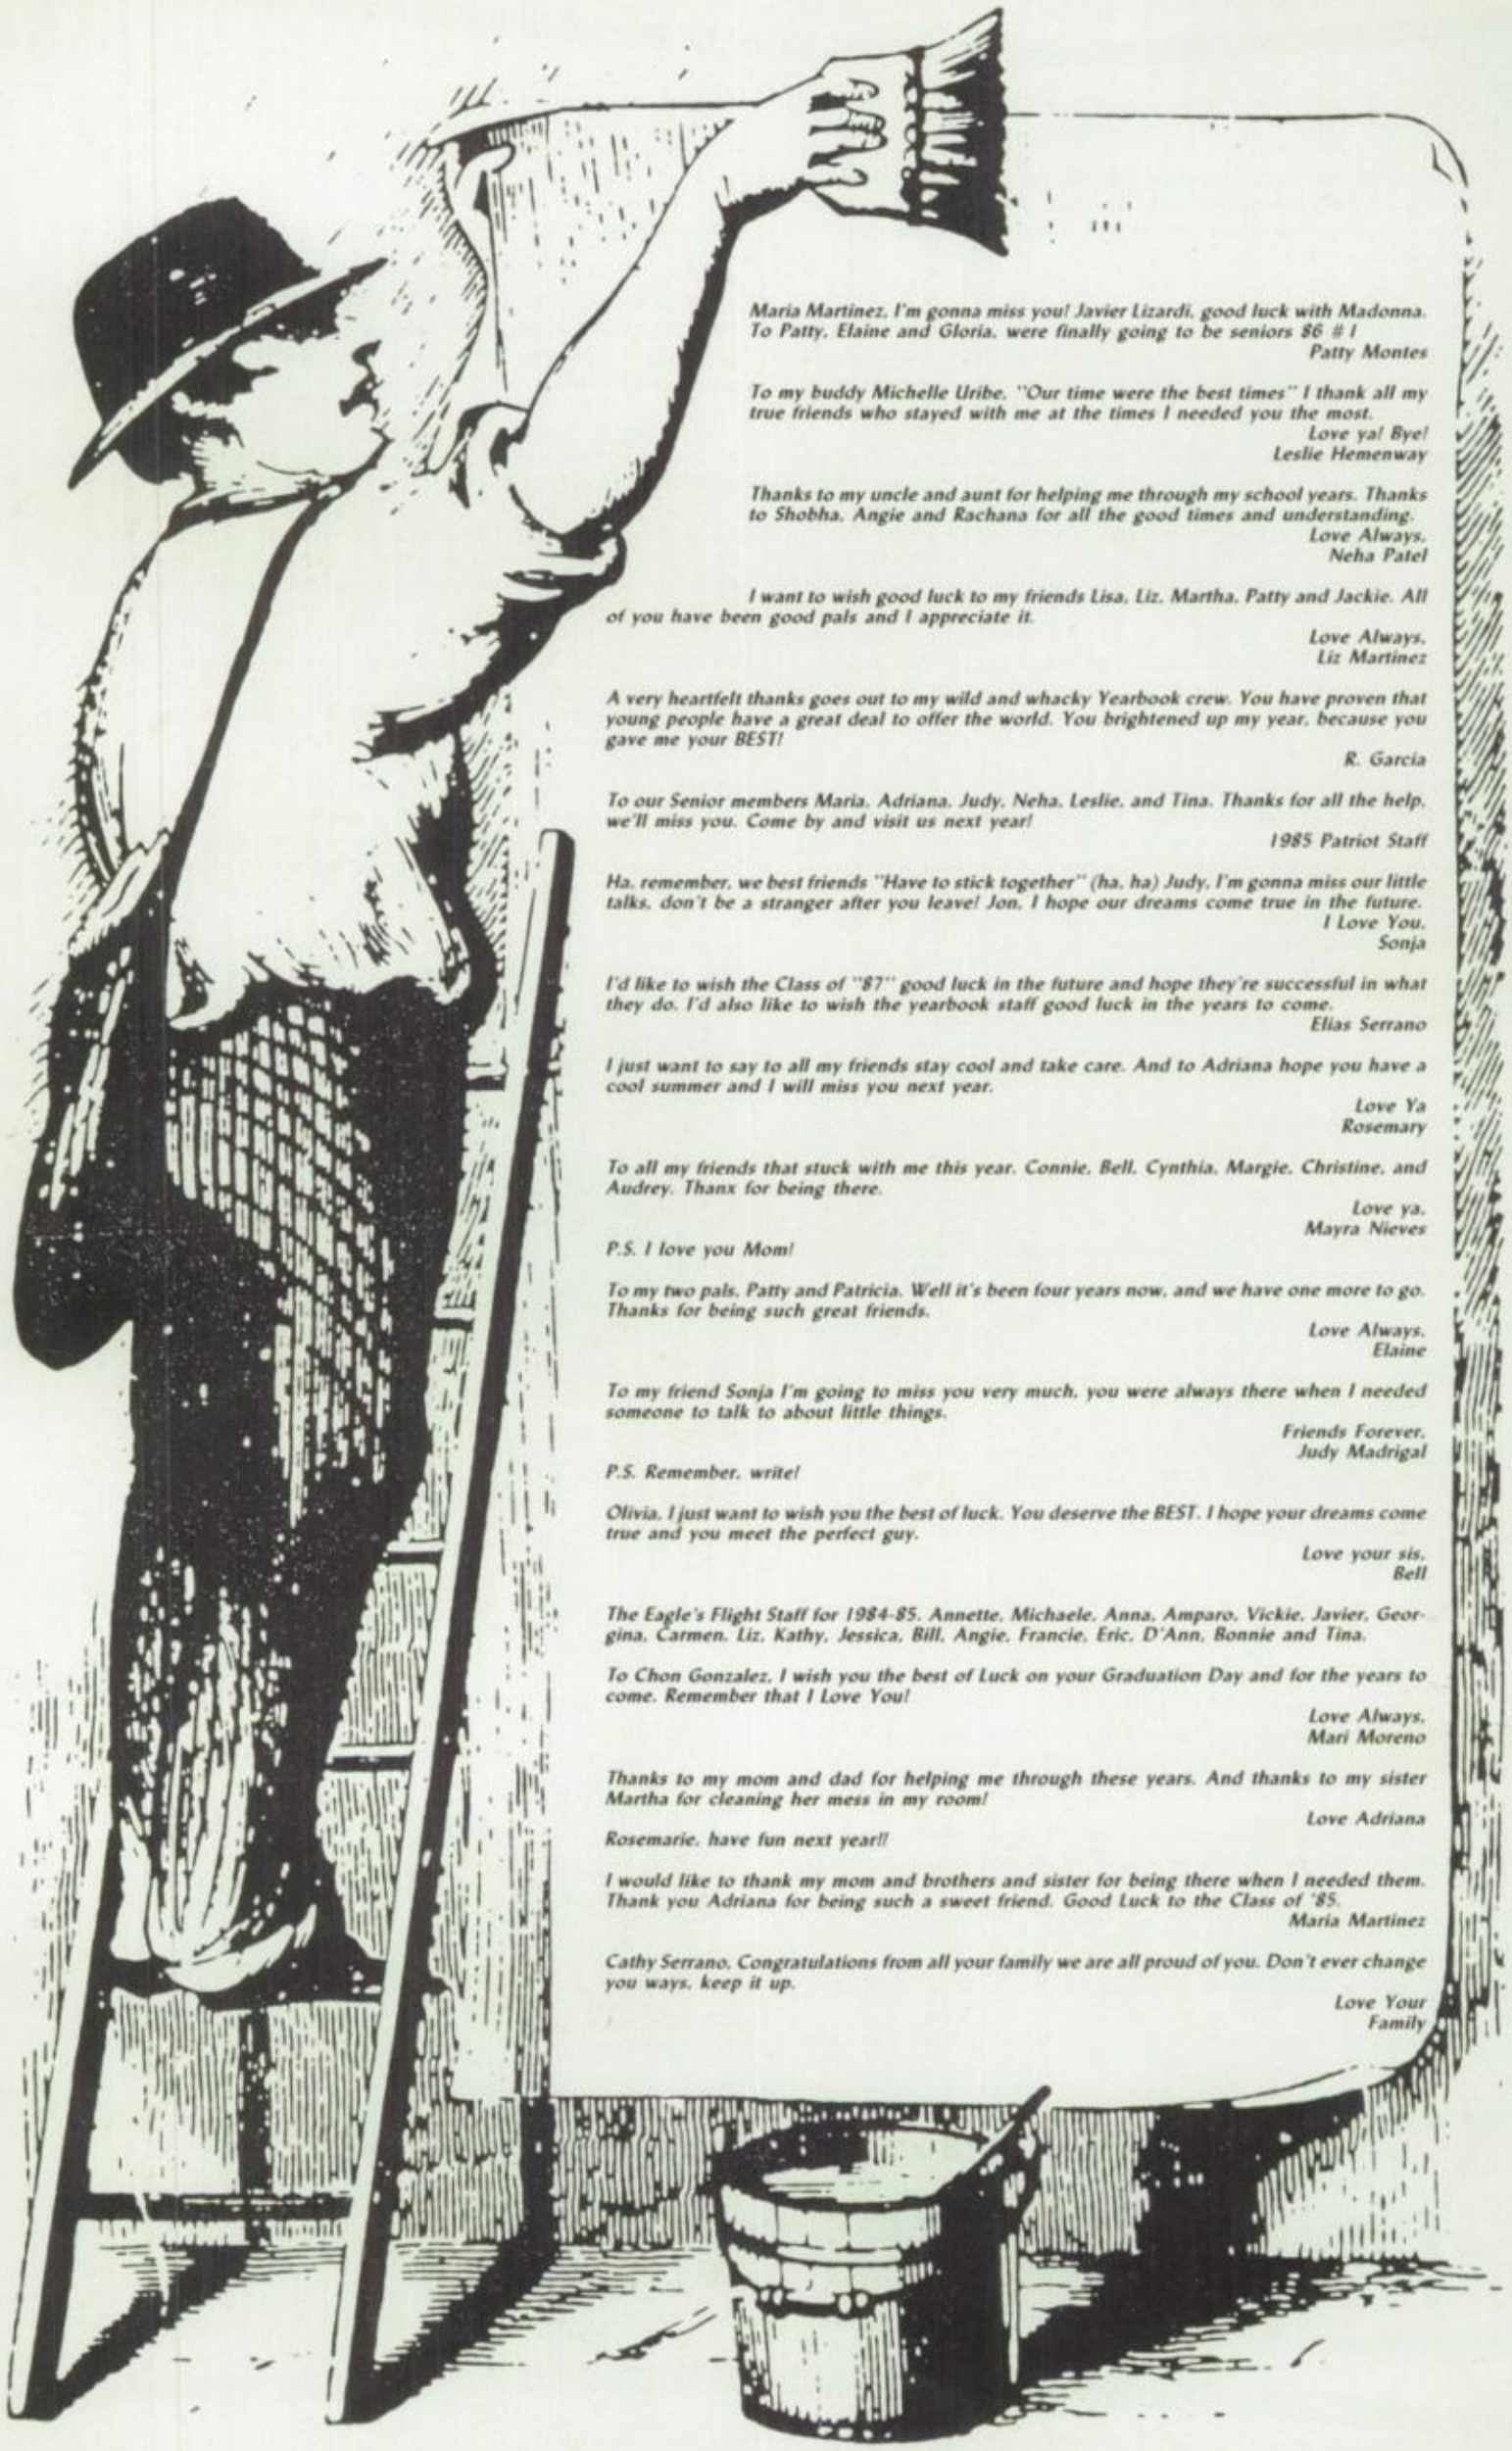
I, Teresa Smith, bequeath my locker, my peal weller picture, and all the memories we shared in my senior year to Gato. To my little sister Michelle, I leave permission to share my locker with Odulia!

I, Janine Torres, bequeath a map to Irwindale to Marlo and Alecia, the curb to Gumby and Poke, a new car to Maureen, (Stop in the Name of Love), a BeeGee's album to Jen The Chipper, and my spirit to all the EHS Pilots!!

I, Marta Vasquez, bequeath my curling iron and tease lotion to Mr. Pena. I also leave him a lifetime supply of life savors; nothing personal of course . . . To all underclassmen, I hope you enjoy your high school years as much as I enjoyed mine!!!

I, Scott Wagner, bequeath my scrunchy pants to Yvette. I leave my boobies to Teresa, and the rest of my body to numerous wild chicks. My vast wisdom and sweaty sox to Mr. Riddar, To Alicia, my Richard Gere eyes, and to Rossana, Madeline, and Mia, my Joe G.Q. clothes!!!

I, Donna Yadon, leave my good thoughts and best wishes to Susan, Paul, and Tina, my sister for their future years in high school. Good Luck 1985!



Maria Martinez, I'm gonna miss you! Javier Lizardi, good luck with Madonna. To Patty, Elaine and Gloria, were finally going to be seniors 86 # 1
Patty Montes

To my buddy Michelle Uribe, "Our time were the best times" I thank all my true friends who stayed with me at the times I needed you the most.
Love ya! Bye!
Leslie Hemenway

Thanks to my uncle and aunt for helping me through my school years. Thanks to Shobha, Angie and Rachana for all the good times and understanding.
Love Always,
Neha Patel

I want to wish good luck to my friends Lisa, Liz, Martha, Patty and Jackie. All of you have been good pals and I appreciate it.
Love Always,
Liz Martinez

A very heartfelt thanks goes out to my wild and whacky Yearbook crew. You have proven that young people have a great deal to offer the world. You brightened up my year, because you gave me your BEST!
R. Garcia

To our Senior members Maria, Adriana, Judy, Neha, Leslie, and Tina. Thanks for all the help, we'll miss you. Come by and visit us next year!

We Pave the Way

The Curtain Closes

And so it ends. A chapter in our lives has closed, while another is yet to open. Our high school years which we so treasured, will be nothing but memories. The long hours we spent on the phone with our friends, the many tests we took and failed together, the days in which we used to watch the clocks in the classrooms slowly inch their way to the time the bells would ring . . . they've all passed now. And as the graduating class of 1985 gets ready to say farewell to underclassmen, teachers, and friends we all feel a tear swelling in our eyes—the proud graduates of John Glenn High School go on to a new life!! To some it will be a sad time, and to others a joyous time, a time for experiencing, and a time for learning.

We, as editors of the '84-'85 Patriot, hope that as you look through these pages, you'll find the happy memories of your high school years which we tried so hard to capture.

We would like to extend our warmest appreciation to the following people who helped create this book: to the 1984-1985 Patriot Staff who spent many hours during and after school working very hard to make this the BEST yearbook ever, to our advisor, Mr. Richard Garcia, for helping with the difficult process of always keeping us busy and always making sure everything was done right! To Mrs. Bobbie Crooks for being our # 1 accountant and for not letting us have too many pizza parties!! And to Wally and Tony of Wally's Studio for their kindness, patience, and countless hours of dedication. We couldn't have done it without them. But most of all, we'd like to thank you, the student body, for making this school year "HAPPEN"!!

Good luck in everything you do, congratulations Class of "85"!!!!!!

Adriana Gonzalez and Maria Martinez,
'84-'85 Patriot Staff Editors

ANGIE!!

June 13, 1985!

Hi - how you doing? I hope this is definitely your yearbook... Okay now — HAPPY VACATION!! Finally huh? And don't be making fun of my love-!! I'll forgive you and Isabel because I know you only say those things because you're jealous. See - I've learned to get used to it... I guess it's because he's so good looking - you know with that greasy look? But, whatever it is about him I'm glad he's <u>mine</u>. I won't forget to send you a wedding invitation either okay? But please don't cry too much for "what might have been" for you + him, just be happy that I've found all I want in that skinny body. I have to stop that story now because I'm getting sick! Hey-girl I'll see you next year in our classes - Mr. Haines (my love) just passed by - gee I love that polyester look... Anyways have a good summer + don't beat up too many other girls -

Remember Me Scared (of you of course)
